Dear Parents,

I am delighted to announce Tesco has teamed up with Groundwork to launch its Bags of Help initiative offering grants from money raised from the 5p bag charge.

Clewer Green School has been awarded £8,000

Help us make it up to £12,000 by voting in-store at Tesco
between Sat 27th February and Sunday 6th March

Your votes count and you only have 1 week starting this weekend.

The Bags of Help initiative is for use to make various enhancements to our outdoor areas and we propose to use the money for the following:

- Finishing the renovation of the pond area to provide an improved learning environment with seating and equipment.
- Developing a sensory garden with grasses and herbs, mirrors, chimes and sensory posts.
- Putting the flooring down in the willow dragon play tunnel and igloos.
- Beginning work on our Eco-pod decked area for outdoor learning.

Our application has been shortlisted along with two others in the region. We have already secured the £8,000 grant but if we come first or second in a public vote in-store at Tesco, this will be increased to £12,000 or £10,000. **All of the above enhancements will be bigger and better if we can secure the extra £4,000 by winning the public vote so we need your support.**

Between Saturday 27th February and Sunday 6th March, all customers passing through the checkouts of the stores listed below, will be given a token which they will then be asked to put in the box of the project they most favour. It is unclear at this point if the tokens will be available at self-serve checkouts so could I urge you to go to a cashier on this occasion. No minimum transaction value has been stipulated and it counts for all the visits between the specified dates. If you usually shop online you can take your delivery note in store and ask at customer services for a token. Participating stores: Windsor superstore, Windsor Express, Maidenhead Metro, Maidenhead Bath Road Express, Maidenhead Furze Platt Road Express, Ascot High Street Express, Bourne End Express and Datchet Express.

Many thanks for your support,

Mr Martin Tinsley
